

NEW JERSEY STATE EXEMPT FIREMENS ASSOCIATION

COMMUNITY SERVICE AWARD

Firefighters earning their Exemption status have already shown their willingness to help their fellow citizen in the dangerous job of fire suppression.

Most have never had the opportunity to be a hero, but the one we want to honor has been the backbone of his Company. Not only at a call, but in keeping up with the Company's work. He might spend extra time in attending meetings of Mutual aid, County or State organizations. He might be the one we do most of the work for fire prevention week, or in other contacts with the community. He might be firefighter that grabs that broom and sweeps down the engine bay or goes outside keeping the landscape looking good around the firehouse.

Perhaps the most important part of his activity will be his activities in his community. He will be active in Little or Softball leagues, Scouting, Municipal Boards, Church activities or anyplace else he feels he can help. He volunteers for personal pride and not for the publicity. He will be currently an active member of an Exempt Firemen's Association.

The award will be based on:

1. Service to his Fire Company or Department
2. Service to the Fire Service in general
3. Service to their Community

A written summary of their qualifications, along with the nomination form and at least one page, not more than two pages in length. Must be mailed to the committee chairman no later than April 1st. Newspaper clipping may be attached. Any forms received after April 1st will be consider for next years' nomination.

Nominator must be a member of an Exempt Association or Chief Officer.

The Committee will meet and consider all applications. The winner and his nominator will be notified by mail and the award will be presented at the upcoming Exempt Convention.

Nomination forms to be mailed to the Chairman:

Franklyn C. Glockler

234 Ell Road

Hillsdale, New Jersey 07642
